Food support

Agencies and organisations supporting community access food during self-isolation.

If you are feeling unwell or showing any symptoms such as high fever, cough, and/or shortness of breath you must stay home.

For general enquiries there is a free government helpline 0800 779 997

TO SUPPORT: The best way to help is to donate financially to any of the services below, particularly the smaller scale banks.

NOTE: Pataka Kai are closed due to difficulty adhering to Ministry of Health Guidelines

Wellbeing support

Emergencies are usually unexpected, sudden and overwhelming. It's natural to feel emotionally and physically drained.

You're not alone in this and you don't need to cope on your own. Friends and family members not affected by the event can help you cope.

You can get more help and information from:

- your GP or local community health centre
- Youthline 0800 376 633 www.youthline.co.nz
- Rural Support Trust 0800 RURAL HELP
- Need To Talk by calling or texting 1737
- in an emergency always call 111

Community Funding

COVID-19 Community Awareness and Preparedness Grant Fund

As part of the Government's response to COVID-19, new funding is being prioritised to support community efforts on the ground. We recognise there are community groups and individuals doing critical work in the fight against COVID-19. This funding will allow them to continue to support their communities and help them through challenges they may face in the coming months.
