TERM THREE WEEK SEVEN

4 September 2020

Kia ora koutou,

Welcome back to all our students and staff this week. It has been great to see everyone reconnect and enjoy the fun of learning.

Due to the resurgence of Covid19 our school is operating at level 2 Health and Safety Guidelines. To help your tamariki understand, discuss and talk with them on what this looks like in their classes, syndicate and as a whole school.

Teachers and students have been working very hard at practicing and modelling hygiene and safety practices to keep everyone safe. We have a few reminders and changes that our school need to adhere too.

- ♦ Staggered times for End of day: Syndicates and classes are walked out to the school entrance. Teachers release students staggered, keeping in mind social distancing with 2metres apart.
- ♦ We encourage students to wear masks during and after school.
- ♦ Water fountains are not in use at level 2, therefore it is vital you provide your tamariki with a water bottle to drink through out the day.
