

Term Two Week One 7 May 2021

Welcome Back...

Dear Parents, Caregivers, Whanau and Students

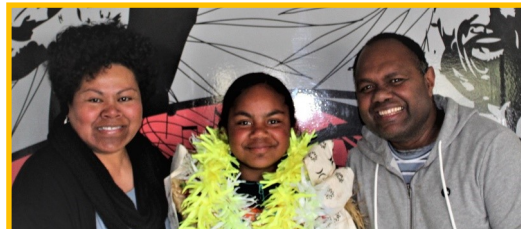

It is fantastic to see all our staff and students back at school and engaged in the teaching and learning so quickly.

This term we have the Life Education Trust caravan in for three weeks to assist in teaching and promoting the importance of 'healthy choices'. This term we are introducing our new 'Electives' programme on a Wednesday. The electives programme focuses on providing a wide range of activities that our staff are passionate about through Arts and Crafts, as well as allowing our students the opportunity to learn new skills.

I am really looking forward to another exciting, fun term for our teachers, students and whanau.

Have an awesome weekend with your friends and family. Treasure every moment together!
