This week is Samoan Language Week. We have enjoy a range of Samoan activities throughout the week. Thanks to Miss Silipa and our Samoan students for organising everything for us.

Congratulations to our Year 7 and 8 boys football teams for finishing 2nd and 4th respectively at the South west Zone boys Football Tournament held on Tuesday at Barry Curtis Park.

Special thanks to the three parents and their children for attending this terms 'Reading Together Programme' last night. This programme supports helping your child to read. It gives you ideas and strategies on ways to engage your child in reading. If you missed last week, but would still like to attend, please contact Ms King.

Just a friendly reminder that we have our Teacher Only Day tomorrow for all our teachers. We will be focusing on the Education Council's Teaching Standards and our Student and Teacher Capabilities Matrix. This professional learning will enable us to review our teaching and learning and review current teaching practices.
