

Student Led Conferences

A huge thanks to all the parents/caregivers who came in for Student Led Conferences held on Thursday 12th August, to have a 15 minute meeting with their child and child's teacher. There was a terrific interest shown, with all classes having 20+ parents/caregivers attending.

Well done to all of you!

These meetings are key to establishing learning focused relationship with your child's class teacher. It is also a great opportunity for you to share your knowledge regarding how your child learns best.
