Tuesday Evening Class Zoom Sessions

Thank you to all the parents and caregivers who participated in the 'Class Zoom Sessions' with their child's teacher. While numbers were limited in most classes, the classroom teachers were very thankful to the parents and caregivers who did join. The teachers appreciated the opportunity to reconnect and re-engage with our families and enjoyed receiving feedback and being able to answer questions related to learning. As we continue to deal with the restriction related to COVID-19 Orange, we will continue to look at various ways to communicate with our OIS families and community.

Technology Zoom Session

Our Technology Team will be doing their '**Technology Zoom Session' on Thursday 2 June 2022 at 7.00pm**. This is an opportunity for our technology team to share what exciting things your child will be experiencing in Visual Arts, Science and Digital Technology. Girls Soccer

Congratulations to our Year 7 and 8 girls football teams for their outstanding achievements at the South West Zone football tournament. We are very excited to be the Year 8 champions and Year 7 runners up at this tournament. Thank you to the coaches (Mrs. Bailey and Miss Jacinto) and the students for their commitment to their trainings during breaks and after school. Your hard work and commitment has certainly been rewarded. Thank you to all other staff for the support. We wish the Year 8 girls team all the best at their upcoming AAIMS Interzone Football tournament in a few weeks time, which will be a massive challenge against the other 8 zone champions.

Rugby Team

We were very excited to send our three rugby teams on a 'Rugby Day Experience' on Wednesday. Our Open Girls, Under 55kg Boys and Open Boys teams went to Sky City to view and participate in the 'All Black Experience' presentation. Followed by an afternoon training session run by Auckland Rugby Delivery Lead South at Carlton Rugby at Cornwall Park. Thank you to Sky City and ARU for providing these opportunities for our students.
