

# OIS SCHOOL ATHLETICS 2022

What an exciting school athletics day we had this year. After 2 years of Covid preventing us from showing our amazing athletic skills, competitiveness, and community spirit, we had a wonderful day. Even the weather was good to us. All students participated in high jump, long jump, shotput, discus, and sprint running. We all know that the highlight of the day was the teachers' relay race! Our emphasis was on PARTICIPATION and it certainly showed! Students were happy and proud to realise that they were cheered on and supported by staff and students when they felt shy about completing an event. At Otahuhu Intermediate, we are about learning to face new challenges, and about making memories. We truly are a whanau.
